DESCRIPTION

The EM-24xx is a low voltage photocell used for operating exterior lighting. It is used for signaling light levels to Wattstopper lighting control panels and devices that control exterior lighting.

- Typically the EM-24xx is mounted on the exterior or roof of a building with the light sensing window facing north.
- The EM-24xx's 1/2" threaded male conduit base can be connected to conduit fittings or to junction boxes with the supplied locknut.
- For the EM-24A2, connect 24 VAC to the two black wires.
Normally, this power is supplied from the lighting control panel or device the photocell serves.
- For the EM-24D2, connect to 24VDC with black wire to (-)DC and the white wire to (+)DC polarity.
- The relay contact red wires are connected to the lighting control panel or to a low voltage controlled load.
Contacts are rated 1A@30VAC/VDC.

MOUNTING AND WIRING

WARRANTY INFORMATION

Wattstopper warrants its products to be free of defects in materials and workmanship for a period of five (5) years. There are no obligations or liabilities on the part of Wattstopper for consequential damages arising out of, or in connection with, the use or performance of this product or other indirect damages with respect to loss of property, revenue or profit, or cost of removal, installation or reinstallation.

INFORMATIONS RELATIVES À LA GARANTIE

Wattstopper garantit que ses produits sont exempts de défauts de matériaux et de fabrication pour une période de cinq (5) ans. Wattstopper ne peut être tenu responsable de tout dommage consécutif causé par ou lié à l'utilisation ou à la performance de ce produit ou tout autre dommage indirect lié à la perte de propriété, de revenus, ou de profits, ou aux coûts d'enlèvement, d'installation ou de réinstallation.

INFORMACIÓN DE LA GARANTÍA

Wattstopper garantiza que sus productos están libres de defectos en materiales y mano de obra por un período de cinco (5) años. No existen obligaciones ni responsabilidades por parte de Wattstopper por daños consecuentes que se deriven o estén relacionados con el uso o el rendimiento de este producto u otros daños indirectos con respecto a la pérdida de propiedad, renta o ganancias, o al costo de extracción, instalación o reinstalación.
