

## PLT GENERAL LIGHTING LIMITED WARRANTY

PLT brand lamps are warranted to be free of defective materials and workmanship for the period listed below. PLT will replace or credit only the cost of any lamp that fails under normal operating conditions and the use and operation conditions as defined below.

This warranty is limited to the replacement or credit of the lamp itself. This is the buyers exclusive remedy. Any other warranty, express or implied, including any warranty of merchantability or fitness for a particular purpose, is excluded and disclaimed. PLT shall not be liable for any special, incidental or consequential damages including labor, loss of use, lost profits or injury to persons or property.

PLT reserves the right to examine all lamps prior to the determination of warranty status. All PLT lamps, ballast, or specialty products must be retained for warranty claims until such time as PLT determines the final disposition of the product. The warranty period starts on the date of installation. If the date of installation is unknown or undetermined, the warranty period will start at the wholesale purchase date.

Credit is calculated as follows:  $Credit (\$) = Invoiced\ Purchase\ Price (\$) \times Unexpired\ Original\ Warranty\ Period\ (months) / Warranty\ Period$

Use and Operating Conditions – Lamps must be used in UL approved fixtures with UL approved ballasts and installed according to local and national codes and standards. Use of occupancy sensors, dimmers, or programmable systems with the lamp may void the warranty.

Fluorescent Lamps – Warranty is based on 4,000 hours per year maximum operation with a minimum of 3 hours per operation cycle. More frequent cycles will shorten lamp life and may not be covered under this warranty.

**\*Christmas products are not eligible for return for any reason after December 24th of the year they were purchased.**
