

TruColor LED Lamps Product Specifications

TCP's TruColor Lamps provide the High CRI technology for any and all color-critical applications. The ≥ 95 CRI and ≥ 90 R9 provide the richer reds, and all-around more vibrant color consistency needed for high-end merchandising and retail. Use wherever color accuracy is a factor. Great replacement for old technology halogen lamps, at a fraction of the cost.

Reasons to choose TCP TruColor LED Lamps

- High 95 CRI and 90 R9
- Provides a vibrant range of true colors
- Perfect for high-end merchandised product
