

LED WALL PACK FIXTURE

WARNING, CAUTION, SAFETY AND INSTALLATION INSTRUCTIONS

WARNING

- Installation, service, and maintenance of luminaires should be performed by a qualified licensed electrician.

CAUTION

- Carefully observe the grounding procedure detailed in the Wiring Diagram section.
- Tighten all fixture components to their recommended torque values.

Installation Instructions

1. Open the cover by unscrewing the screws that are located on the side of the wall pack.
2. Fix the rear housing on the wall

Method 1: Remove the pre-cast locators at the back of the rear housing, and fix the fixture with 4 screws (not provided) to the standard junction box on the wall.

Method 2: Drill holes at the required three mounting points. Mount the fixture by securing mounting screws (not provided) through the drilled holes, and seal the screw heads with appropriate waterproofing material.

3. Connect the output wires of the driver to the wires of the LED board.
4. Remove the 2 plugs from the housing. Close the diffuser and lock it with the 2 diffuser door screws.
5. Make sure all wiring access holes are sealed properly for waterproofing purposes.
6. Turn on the electricity to verify your successful installation.

WARNING, CAUTION, SAFETY AND INSTALLATION INSTRUCTIONS

Wiring Diagram

- 1: Connect the Black fixture lead to the LINE supply lead.
- 2: Connect the White fixture lead to the NEUTRAL supply lead.
- 3: Connect the Green/Yellow wire from the fixture to supply ground.
- 4: Connect the purple fixture lead to the DIM V+ lead if 0-10V dimming is desired.
- 5: Connect the pink fixture lead to the DIM V- lead if 0-10V dimming is desired.

⚠ WARNING

- Before installing, servicing, or performing routine maintenance upon this equipment, follow these general precautions.
- To reduce the risk of death, personal injury, or property damage from fire, electric shock, falling parts, cuts/abrasions, and other hazards, read all warnings and instructions included with and on the fixture box and all fixture labels.
- Proper grounding is required to ensure safety.
- Power must be turned off at the breaker before installation or maintenance.
- This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.
- Wear gloves and eye protection at all times while installing, servicing, or performing maintenance on the luminaire, and avoid direct eye exposure to the light source while it is on.
- To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or other sharp objects.
- Do not install damaged product. Inspect luminaire for damage that may have occurred during transit. If damaged, contact the manufacturer immediately.
- These instructions do not purport to cover all details or variations in equipment nor to provide every possible contingency to meet in connection with installation, operation, or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser's or owner's purposes, contact the manufacturer.

⚠ ADVERTENCIA

- Antes de instalar, reparar o realizar el mantenimiento de rutina de este equipo, siga estas precauciones generales.

WARNING, CAUTION, SAFETY AND INSTALLATION INSTRUCTIONS

- Para reducir el riesgo de muerte, lesiones personales o daños a la propiedad por fuego, descarga eléctrica, caída de piezas, cortes / abrasiones y otros peligros, lea todas las advertencias y instrucciones incluidas con y en la caja del dispositivo y todas las etiquetas del dispositivo.
- Se requiere una conexión a tierra adecuada para garantizar la seguridad.
- Se debe apagar la energía en el disyuntor antes de la instalación o el mantenimiento.
- Este producto debe ser instalado de acuerdo con el código de instalación aplicable por una persona familiarizada con la construcción y operación del producto y los peligros involucrados.
- Utilice guantes y protección para los ojos en todo momento durante la instalación, el servicio o el mantenimiento de la luminaria, y evite la exposición directa de los ojos a la fuente de luz mientras está encendida.
- Para evitar daños o abrasiones en el cableado, no exponga el cableado a bordes de láminas de metal u otros objetos afilados.
- No instale un producto dañado. Inspeccione la luminaria en busca de daños que puedan haber ocurrido durante el tránsito. Si está dañado, comuníquese con el fabricante de inmediato.
- Estas instrucciones no pretenden cubrir todos los detalles o variaciones en el equipo ni proporcionar todas las posibles contingencias a cumplir en relación con la instalación, operación o mantenimiento. Si desea obtener más información o si surgen problemas particulares que no están suficientemente cubiertos para los propósitos del comprador o propietario, comuníquese con el fabricante.
