

### **⚠ WARNING**

- For indoor and outdoor use. Battery box can get wet but should not be placed in a location where it will be immersed in water.

### **⚠ ADVERTENCIA**

- Para uso interior y exterior. La caja de la batería se puede mojar, pero no debe colocarse en un lugar donde se sumerja en agua.

### **⚠ AVERTISSEMENT**

- Pour une utilisation intérieure et extérieure. Le boîtier de batterie peut être mouillé mais ne doit pas être placé dans un endroit où il sera immergé dans l'eau.

### **CAUTION**

- Remove batteries when not in use and leave battery box closed. Batteries left in set when not in use can leak and cause corrosion.

## **Installation Instructions**

- Insert 3 x D batteries into the battery box.
- Turn dial on battery box to desired function.
  - When you select “timer”, the 6 hr on / 18 hr off daily timer begins its cycle.

## **Care**

- Replace batteries when light set becomes dim.
- Dispose of used batteries responsibly.

## **Battery Caution and Disposal**

1. For best results, use alkaline batteries.
2. Install only new batteries of the same type in your product.
3. Failure to insert all batteries in the correct polarity as indicated will cause the set to not operate correctly.
4. Do not mix old and new batteries.
5. Do not mix Alkaline, Standard (Carbon-Zinc) or Rechargeable (Nickel Cadmium) or (Nickel Metal Hydride) batteries.
6. Do not dispose of batteries in fire.
7. Batteries should be recycled or disposed of as per state and local guidelines.
