TWC400GOP-GUS

Twinkly Cluster – App-Controlled LED Christmas Lights with 400 AWW (Amber, Warm White, Cool White) LEDs. 19.7 feet. Green Wire. Indoor and Outdoor Smart Lighting Decoration

DESCRIPTION

Experience a whole new side to lighting decorations with smart LED lights Twinkly Cluster. Whether you want warm lighting for relaxation, the right task lighting for working or studying, or the perfect sparkling lights for Christmas and holiday decorations, these premium, app-controlled, addressable LEDs were designed for extraordinary brightness in a full range of white light from warm white to cool white and all shades, hues, and tones in between. Perfect for indoor and outdoor use.

FEATURES

Create the ultimate lighting decorations with smart, addressable LED lights Twinkly Cluster and explore virtually unlimited ways to transform your space with light and color

Enjoy setup in a matter of seconds via Bluetooth® and Wi-Fi, manage your lights with the free Twinkly app (iOS and Android), group multiple devices, set automated playlists, switch your lights on and off, apply timers, dim them and adjust their brightness, and much more

Unleash your creativity with endless preset effects and animations, create your own personalized ones using the FX Wizard on the Twinkly App, or virtually draw effects on your lights with your finger. Use your imagination and any shade, gradient, hue or tint of 16 million colors to create the ultimate decorative lighting

Use your weatherproof lights all year round both indoors and outdoors. Create the perfect lighting for the merriest Christmas, the spookiest Halloween, and the most memorable parties and celebrations including weddings, BBQs and birthdays

Watch your lights dance to Twinkly Music (sold separately), a smart USB-powered sound sensor that interprets ambient music and sounds in your space and applies synchronized colors and effects to your lights

HIGHLIGHTS

· Gold & Silver AWW LEDs – Amber, Warm White and Cold White
· App-controlled 400 LED cluster lights string
· Twinkly App free for iOS and Android on mobile and tablet
· Instant Wi-Fi and Bluetooth® connection

· Works with Twinkly Music to react to the music played in your environment
· Works with Hey Google and Amazon Alexa
· Smart controller, power adapter with plug (type A) included
· Indoor and outdoor use – IP 44

LONG DESCRIPTION

Experience a whole new side to lighting decorations with smart LED lights Twinkly Cluster. Whether you want warm lighting for relaxation, the right task lighting for working or studying, or the perfect sparkling lights for Christmas and holiday decorations, these premium, app-controlled, addressable LEDs were designed for extraordinary brightness in a full range of white light from warm white to cool white and all shades, hues, and tones in between. Perfect for indoor and outdoor use.

Twinkly lights are easy to configure via Bluetooth® and Wi-Fi and can be voice-controlled with voice assistants Amazon Alexa and Google Assistant. Once you've set up your lights, let the Twinkly App do the rest: it scans and maps each individual bulb, transforming your lights into a personalizable decorative display. You then get to apply virtually endless default effects and animations or create your own personalized ones.

For even more impressive decorations, combine your lights with Twinkly Music (sold separately), a USB device with a built-in microphone that interprets ambient sounds and music in your space and applies matching effects to your lights.

SPECIFICATIONS

GENERAL

Product SKU	TWC400GOP-GUS
EAN	8056326673192
Manufacturer	Ledworks S.r.l.
Year's model	2020

LIGHT STRING

LED type	Addressable LED
LED color	Cool to Warm White
No. of LEDs	400
