

Fruit Fly Patrol™

#250708

#350708

#250708-SS

Virtually any environment that offers moisture can foster swarms of fruit, drain & black flies. Produce, seafood, meats, soda, beer, wine, bar drains and dish rooms will bring the pests add a bit of fermentation, sugars, and the problem gets worse... The Fruit Fly Patrol™ is a remarkably versatile decorative fly control system. Beautifully designed, it is powerful enough for commercial use in areas up to 1,000 square feet. The unique designs allow the Fruit Fly Patrol™ unit to be wall mounted or placed on a flat surface. Like all Paraclipse® units, it uses special UV light, highly effective fruit fly & other fly specific attractants, and decoys on the trapping surface to lure and capture all flies. Its small size blends into any decor, and features a 30-day auto-advance cartridge.

Features:

- * **HIGHLY EFFECTIVE** fruit fly specific attractants added to the glue surface.
- * **Designed** to catch fruit flies.
- * **Non-toxic.**
- * **No pesticides or insecticides.**
- * **No touch glue surface.**
- * **Eliminates large quantities of flies.**
- * **Audible alert** to replace used cartridge.
- * **Looks like a decorative wall sconce.**
- * **Meets USDA & FDA guidelines.**
- * **Draws flying insects** to trapping surface and keeps them trapped.
- * **Wall mount or placed on a level surface.**
- * **Directs light out and down** to increase overall effectiveness.
- * **Unit keeps your establishment safe and free from flies** carrying diseases such as Salmonella and E.coli.
- * **Cartridge holds 10 times the capacity of a glue board.** The auto advancing cartridge system rolls the trapped flies inside the cartridge so you never handle the fly covered trapping surface.
