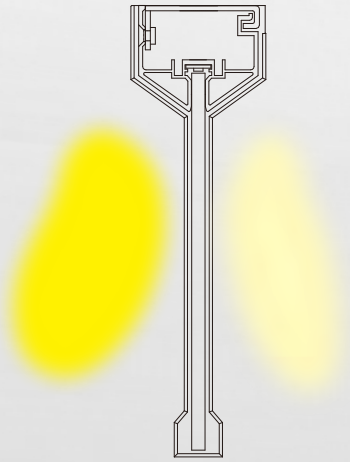
Surface Mount*

It is attractive and easy to install with simple screws or threaded studs which pass through the housing to fasten the luminaire in place. Ideal for locations with low ceilings or where fire ratings prevent recessed luminaires.

**Requires PLT-90331 for surface mounting.*



Wall Mount*

It is available in a surface reverted design, with a sleek low-profile sensibility optimal for architectural lighting applications without any wall mount bracket, allows for easy installation, ideal for corridors, stairwells, and more.

**Requires PLT-90331 for wall mounting.*
