

DESCRIPTION

Add warmth and elegance to any room with these black marble electric candle warmers. Using a GU10 base halogen bulb, these elegant warmers heat the candle from the top down, offering a safe and flameless way to release its fragrance while also emitting a warm, decorative glow.

FEATURES

- Flameless and smoke-free; safer alternative to traditional candle lighting
- No assembly required, warmer is ready to use right out of the box
- Built-in timer has 1, 2, and 4-hour settings for automatic shutoff
- Built-in dimmer can be used to adjust temperature and fragrance intensity
- Can also be used with wax chips, wax melts, tarts, and potpourri
- Comes with 35W halogen MR16 bulb with GU10 base
- Includes decorative holiday candle wreath
- Can be used with candles up to 6"x6" in size
- 5' cord is UL listed
