

Energizer® **HARDCASE®** Professional® Work Light HCAL41E

The **Energizer HARDCASE PROFESSIONAL®** Work light delivers the rugged lighting performance demanded by Professional and Do-It-Yourself enthusiasts. Specialized materials, including rugged over-molding and an advanced, toughened polymer, enable the Work Light to withstand drop after drop. The Work Light delivers hands-free functionality in three different ways. In addition, high-power LED technology and advanced optics create bright, uniform light that is ideal for a wide array of projects and the newest **Energizer Smart Dimming Feature** allows a personalized light intensity control ideal for power saving.
