

LED HIGH BAY FIXTURE

WARNING, CAUTION, SAFETY AND INSTALLATION INSTRUCTIONS

WARNING

- Installation, service, and maintenance of luminaries should be performed by a qualified licensed electrician.
- Keep these instructions for future reference.
- No user serviceable parts inside.

NOTICE

- Suitable for damp locations.

Installation Instructions

Chain Mounting

1. Insert the V-hooks through the holes on each end of the fixture's housing until the V-hooks are securely in place.	
2. Attach one end of each chain to the V-hooks on the fixture, then secure the other end of each chain to the mounting surface using hardware rated for the load. Adjust the chain height as needed.	

Wiring Diagram

1. Turn off the power.
2. Use appropriate tools to remove the driver box cover and the knockout of your choosing.
3. Insert the conduit through the knockout hole. Using the push-in wire connectors, make connections according to the wiring diagram.
4. Reattach the driver box cover to complete installation.

LED HIGH BAY FIXTURE

WARNING, CAUTION, SAFETY AND INSTALLATION INSTRUCTIONS

PIR/Microwave Sensor

Sensors sold separately. Use appropriate tool to remove the plastic cover from the sensor port then install the sensor.

**Plastic cap must be removed from the prongs before installing the sensor to the fixture.*

Compatible Sensors:

- PLT-50426 – PIR Sensor
- PLT-50427 – Microwave Sensor
- PLT-13137 – Remote Control

⚠ WARNING

- Before installing, servicing, or performing routine maintenance upon this equipment, follow these general precautions.
- To reduce the risk of death, personal injury, or property damage from fire, electric shock, falling parts, cuts/abrasions, and other hazards, read all warnings and instructions included with and on the fixture box and all fixture labels.
- Proper grounding is required to ensure safety.
- Power must be turned off at the breaker before installation or maintenance.
- This product must be installed in accordance with the applicable installation code by a person familiar with the construction and operation of the product and the hazards involved.
- Wear gloves and eye protection at all times while installing, servicing, or performing maintenance on the luminaire, and avoid direct eye exposure to the light source while it is on.
- To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or other sharp objects.
- Do not install damaged product. Inspect luminaire for damage that may have occurred during transit. If damaged, contact the manufacturer immediately.
- These instructions do not purport to cover all details or variations in equipment nor to provide every possible contingency to meet in connection with installation, operation, or maintenance. Should further information be desired or should particular problems arise which are not covered sufficiently for the purchaser's or owner's purposes, contact the manufacturer.

⚠ ADVERTENCIA

- Antes de instalar, reparar o realizar el mantenimiento de rutina de este equipo, siga estas precauciones generales.
- Para reducir el riesgo de muerte, lesiones personales o daños a la propiedad por fuego, descarga eléctrica, caída de piezas, cortes / abrasiones y otros peligros, lea todas las advertencias y instrucciones incluidas con y en la caja del dispositivo y todas las etiquetas del dispositivo.
- Se requiere una conexión a tierra adecuada para garantizar la seguridad.
- Se debe apagar la energía en el disyuntor antes de la instalación o el mantenimiento.

LED HIGH BAY FIXTURE

WARNING, CAUTION, SAFETY AND INSTALLATION INSTRUCTIONS

- Este producto debe ser instalado de acuerdo con el código de instalación aplicable por una persona familiarizada con la construcción y operación del producto y los peligros involucrados.
- Utilice guantes y protección para los ojos en todo momento durante la instalación, el servicio o el mantenimiento de la luminaria, y evite la exposición directa de los ojos a la fuente de luz mientras está encendida.
- Para evitar daños o abrasiones en el cableado, no exponga el cableado a bordes de láminas de metal u otros objetos afilados.
- No instale un producto dañado. Inspeccione la luminaria en busca de daños que puedan haber ocurrido durante el tránsito. Si está dañado, comuníquese con el fabricante de inmediato.
- Estas instrucciones no pretenden cubrir todos los detalles o variaciones en el equipo ni proporcionar todas las posibles contingencias a cumplir en relación con la instalación, operación o mantenimiento. Si desea obtener más información o si surgen problemas particulares que no están suficientemente cubiertos para los propósitos del comprador o propietario, comuníquese con el fabricante.
