

Patio Light Stringers w/ Shades & LED Bulbs

Easily add lights to backyards, patios, and more with these patio light stringers sets. Each set includes bulbs and shades.

FEATURES

- 10 suspended sockets spaced 12-inches apart
- Can connect up to 96 sets end-to-end
- Weather-resistant SJTW wire withstands water and abrasion, making it ideal for permanent outdoor use
- Sockets feature water-resistant gaskets that seal around the bulbs, protecting against water entry
- Standard household medium (E26) base
- Molded male & female plugs without fuses
- Sockets come with eyelets for running guywires
- 10 shatter-resistant LED S14 vintage bulbs included
- Comes with 10 shades to snap onto the socket; see Shades section for more information
