

**DESCRIPTION**

Designed to withstand vibrations and high temperatures, this incandescent 40 Watt A15 appliance bulb can be used in ovens and other food service applications.

**FEATURES**

- Oven-rated, withstands up to 650°F
- Standard household medium (E26) brass base
- Operates on 130V; lasts longer when used in 120V applications
- Rough service filament resists vibrations and stressors
- Opaque shatter-resistant silicone covering improves safety

**LISTINGS**

- Damp location
- RoHS

**PERFORMANCE**

- Rated Lifetime: 2,000 hours
